

CoCA Artists are excited to offer artwork for sale through our Open Studios tour for the 14th season!

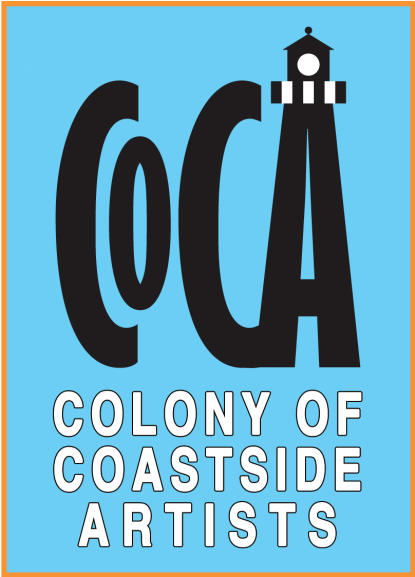

We’ve been inviting visitors into our studios since 2010, and this year we have 49 exceptional artists in 27 locations for your enjoyment. Please be considerate of our artists if they have “masks required” posted.

Check our website for OS updates, CoCA events, and to join our mailing list:

***PASSPORTS!**
Win an original work of art. Visit 7 participating studios (noted with **RED** asterisk next to artists’ names) to qualify for the drawing to be held the week after Open Studios. Winners will be contacted by the individual artists to arrange for pickup.
***Passports are available at studios during the event.**

Thank you for your continued interest in our coastside artists.
